TO: The Honorable Judge John C. Smith

Your Honor Sir, I will need an Attorney For this Civil Action Case # 1:18-cv-282-HSO-JCG. And There's no way I can afford one. Even so there's no possible way to contact one here from ADC. Sir I don't have any family to do so on the outside. My folks are deceased and I'm pretty much on my own. I also have great concern about a conflict of interest with the Jackson County Public Defenders Office and being held here at the ADC here in Jackson County. Sir when I got your notice of assignment 8/24/18 just so happen a public defender Mr. Mikeal Cunningham from the P.D. Office showed up here at the ADC and informed me of a court date of 10-10-2018. Then on 8-28-2018 I received a letter of incarceration which I have been trying to get for at least over a week ago in which it states to whom it may concern I'm incarcerated here at the ADC and don't have any court date. My real concern is to remain stuck in this ADC with no representation on my current charges IF I have representation

From Jackson County Public Defenders  
Office Here in The Jackson Circuit Court  
with the State Prosecutor Here in Jackson  
County and me being prolonged to be stuck  
Here in Jackson County ADC and IF I WILL  
receive proper Representation From The  
JACKSON County Public Defenders Office.  
It's Already A problem getting Treated  
Fair Here in Jackson County, Mississippi.  
Maybe Sir you could recommend what is  
my best option as for as representation Here  
in Jackson County. I Feel I'm going to be Treated  
unfairly & misrepresented.

Thank You Very  
much For your  
~~option~~ Opinion &  
Guidance Sir

Rodney Ready

Sir I dont want to be stuck Here  
& Railroaded. Things are Bad enough Here  
AS it is.
